

2019-2020 Epiphany Parish Intramural Basketball Program

October 2, 2019

Dear Parents,

The **2019-2020 Epiphany Intramural Basketball Program** will commence with a practice session/player selection on **Saturday morning, November 16th**. Boys will be at 8:30AM and girls at 10:30AM. The program is open to both boys and girls in the 3rd and 4th grades who are members of The Epiphany Parish or are students at The Epiphany School.

This is an **instructional** basketball league. We keep score and have playoffs based on performance during the year, but our focus is on teaching the children how to play the game, sportsmanship, teamwork, competition and enjoyment of the game. The coaches and refs are volunteers and deserve our respect and gratitude. Therefore, "riding the refs" will not be tolerated at any time.

Most games are played on Saturday mornings at the Epiphany School 28th Street Campus gymnasium (between 3rd and Lexington). Every 4th week may be a bye for one team. Final team schedules will be distributed once teams are established after November 16th, but this is the initial tentative schedule (not all teams play every week):
