

Dear Mrs. McHugh,

I grant permission for my child(ren) _____
of class _____ to attend the **Field Day trip to St. Joseph's Seminary in Yonkers** which will
be held on **Tuesday, May 17, 2022.**

Below, I have indicated the total number of students and parents from our household attending Field Day and if we will travel using the buses provided by school or a car. I understand that there is a **\$10.00 fee per person**, to be paid in cash or by check made payable to The Epiphany School.

Total Amount Enclosed: _____

I understand that the school nurse and/or a "trip nurse" will not accompany my child on this trip to dispense prescribed medication. I understand that my child's teacher has been trained to use an EpiPen Jr./EpiPen in emergency situations, but has not received training and will not be able to administer other medications (including inhalers and Benadryl). I understand that all "self carry" and "self administer" medications must be confirmed with the school nurse and fully documented with a completed MAF at least 3 school days prior to the trip.

I understand that the school authorities will take reasonable precautions against accident, personal injury, and loss of, or damage to, property while going to, from, and at the site of the trip, but they, the chaperones, the parish, the Catholic School Region and/or the Archdiocese of New York, as the case may be, are not assuming any legal liability for any such occurrence except any liability based on their failure to take such reasonable precautions.
