

Is Your Child Ready for Child Care or School?

2022-2023 School Year

Learn about required vaccinations in New York City.

All students ages 2 months to 18 years in New York City must get the following vaccinations to go to childcare or school. Review your child's vaccine needs based on their grade level this school year. The number of vaccine doses your child needs may vary based on age and previous vaccine doses received. Your child may need additional vaccines or vaccine doses if they have certain health conditions or if previous doses were given too early.
