

## A Note From The Teacher

Kindergarteners are having a wonderful time on their adventures with Superkids Alf. This week, we will seek out items that have the initial and medial short /a/ sound. We continue to work on breaking words into syllables. Breaking words into smaller parts will help us in our future writing activities. In Math we take a closer look at how to read, write, and compare numbers to 10 using counters and a ten frame. Kindergarten Scientists observe pumpkins inside and out and discuss the results of their predictions. We will explore Diwali, the Festival of Light, that symbolizes the victory of light over darkness. What is a saint? All Saints Day celebrates God's holy people. We believe we are all saints in training! Our new sight words are: **have you.**

### Reminders

**Halloween**  
**Thursday, October 31st**

Wear your costume to school  
Parade Begins at 9am  
Each child must have an adult to accompany them during the parade.

### What We Are Learning

#### ELA

Initial and Medial /a/ and Syllables

#### Math

Compare & Write Numbers 1-10

#### Social Studies

Diwali

#### Religion

All Saints Day

#### Science

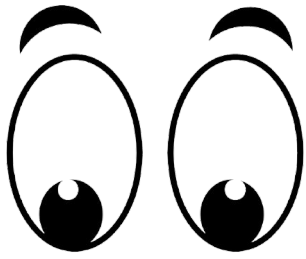

Pumpkin Observations

### Upcoming Events
