Week of: 11/17 - 11/21

A Note From The Teacher

We cannot believe we are already at the end of the 1st quarter of kindergarten! We look forward to discussing your child's progress during conferences!

We are having fun with Superkid Tamika, who is teaching us about the letter Tt and will meet the next Superkid, Oliver. In math, we will be continuing with 2D shapes. We will learn all about Thanksgiving and have many Thanksgiving-themed projects. As we approach Thanksgiving, we will discuss what we are thankful for and thank God for all that he has blessed us with.

Please continue to practice sight words, lowercase name writing, number writing and rhyming.
