Week of January 23, 2026

Happy Birthday to Robin on January 24th and John Griffin on January 26th! The children enjoyed making snowmen and snowflakes.

We have a beautiful tight knit community at Epiphany. It's a wonderful thing when we can all work together to support the students, but it's important to be mindful when sharing information casually. Our goal is to protect the children as they grow and develop within our community, so if you ever have any concerns, please don't hesitate to reach out to myself or Mrs. Andrea Merson. Our doors are always open!
