A Note From The Teacher

Winter Break is over and the fun is just beginning! As a part of our 100th Day of School celebration, Kindergarteners return to school as centenarians! This week, we will discover some of the fun and wonderful ways to make **100!** Our new Superkid, Lily, will focus on the forming the letters L I and the /I/ sound. We take a look at the FLOSS spelling rule and note that when we blend letter sounds to read a word like *class*, the double letters at the end work together to make one sound. In Math we listen for clues in word problems to determine if we will add or subtract. What do Kindergarteners and The Year of the Horse have in common? The Year of the Horse is all about high energy, being brave and running fast to try new things, just like our students! Ida Van Smith was a black woman who became an aviator and taught the students she inspired how to fly! Ms. Leigh from New York Historical will visit us to discuss Portraits, Then and Now. Our new sight words for this week are **get as**
