

April NEWSLETTER

Week of: 4/27 - 5/1

A Note From The Teacher

In ELA, we will continue to tap out and blend letter sounds together to read and write CVC and multisyllabic words! In Superkids, we are continuing to focus on the vowel Uu and switching the middle vowel sounds to make new words. In Math, we are continuing to focus on measurement and beginning to review math concepts. In social studies, we are continuing to learn about different community helpers. When learning about these community helpers we focus on what they do in their job, the tools they need and who their job helps in the community. We are so excited to head to the Central Park Zoo on Thursday! When we arrive at the zoo we will first begin with a lesson from a zoo teacher and even get to meet and pet an animal! Afterwards, we will walk around the zoo to visit the different animals. On Thursday, your child can wear casual clothes - no uniforms. Please send your child to school with a water bottle, snack and packed home lunch.
