

November NEWSLETTER

Week of: 11/2-6

A Note From The Teacher

November here we come! Things are moving fast in Kindergarten, and we are tickled to meet our newest Superkid, Tamika, who loves trains and travel. This week we will focus on the letters Tt and the /t/ sound. Where do we hear the /t/ sound? Is it at the beginning or end of the word. We practiced isolating letter sounds and blending the sounds together to say a word. Our next challenge begins as we tackle blending letter sounds together to read words. In Math we will compare numbers using math vocabulary: greater, less and equal. Kindergarten Scientists are preparing for our first field trip by sequencing how a seed grows into a pumpkin.

Our new sight words are: have you.

Reminders

A Note From Nurse Jennings

Please submit documentation of your child's updated physical and flu shot.

Upcoming Events

Tuesday, November 10th

End of First Quarter

Trip to Queens County Farm

Wednesday, November 11th, No School

Veteran's Day

Wednesday, November 18th, No School

Conference Day

What We Are Learning

ELA

Tamika Tt /t/ and blending words

Math

Compare & Write Numbers 1-10

Science

Seed to Pumpkin
