

October NEWSLETTER

Week of: 10/5-10/09

A Note From The Teacher

The wait is over and Kindergarteners are excited to meet their very first Superkid, Mya! This week we will take a deep dive into the letter Mm and the /m/ sound. We will use the drawing strokes we learned in our Warm Up Weeks to write the letters Mm. We will also use a special ice cream paper to help us write our letters the Superkids way. In math, we will count and use manipulatives to represent numbers up to 5. We will practice number recognition and formation. All About Me will focus on our school and the teachers we interact with each day. This week's new sight words are **can** **go**

Reminders

Library Books are due on Wednesday

Practice Sight Words

Read them, spell them and write them too!

Label All Items Sent to School
