NEWSLETTER

LEARNING, GROWING & GIVING THANKS TOGETHER

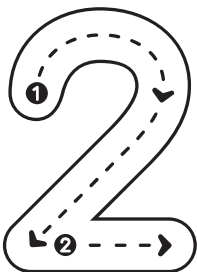

Show and Tell

Please bring in something that start with I for Show and Tell.

Teacher Note

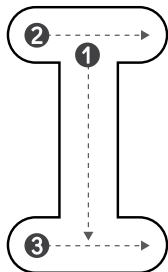

A big Thank you to all the parents that have volunteered. We truly appreciate you, it is always fun and exciting to have you be a part of the classroom.

What are We Learning ?

Math

Our number of the week is 2.
Half a heart and then a shoe,
that's the way we write a 2.

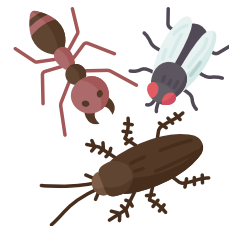

Phonics

Letter of the week is I. The movement for I is to pretend to be itchy. When writing I we use three lines/strokes. We do one big line down then a little line on top and a little line on the bottom.

Religion

As we continue to pray at the end of our morning meetings, we talk of why we pray and how that helps our relationship with God.

Theme

We will explore insects.
What makes an insect different?
