## Week of October 30, 2026

Thank you to Rhodes and the Smith family for providing beautiful home grown pumpkins for our class! The children enjoyed painting them. We've been working on self help skills these days like flipping coats over heads, taking off coats and pushing up sleeves to wash hands.

Mrs. Caulfield will be walking the NYC Marathon on Sunday. If you'll be out there, I'd love to see you! You can follow me on the NYRR app. (Bib # 14795 Catherine Caulfield)

Highlights: painting with dish soap and shaving cream
