November NEWSLETTER

Week of: 11/16-11/20

A Note From The Teacher

Report Cards are ready and the second Quarter of Kindergarten has begun! Kindergarteners will put their decoding skills to the test as they discover what happens in *Toss to Ott*. Blending letter sounds to read the words and hunting for details in the pictures make this story so much fun to share. Things are shaping up in math as we begin our unit on 2-dimensional shapes. Thanksgiving is full of family and traditions. *Let's Find Out - For the Love of Horses* examines the unique Native American tradition of making horse regalia. Our new sight words are- **play** **do**
