November Newsletter

Learning, Growing & Giving Thanks Together

Teacher Note

Thank you all so much for your support. If you have not done so already please make sure to sign up for a time slot for parent teacher conferences. Feel free to reach out if you'd like to schedule an alternative time.

Star of the Week

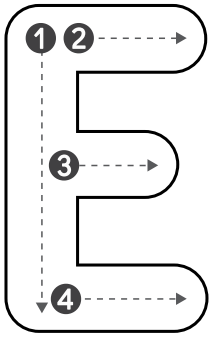

Important Dates

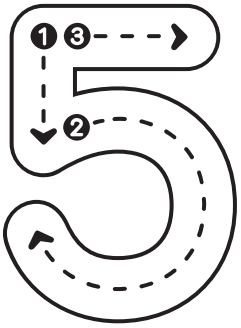

- Nov 11 — **Veterans Day** — No School
- Nov 18 — **Conference Day** — No School
- Nov 20 — **Half Day** — 11:20 Dismissal

What are we Learning ?

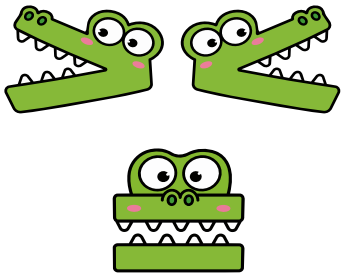

Phonics: E

We learn all about the letter E! Its sound can be tricky. We notice that our mouths make an open smile when saying /e/, and we use our arm to make an elephant trunk as our movement!

Math: Number 5

Our number of the week is 5. Short neck, tummy fat, top hat, that's the way we write a five.

Math: > < and =

We'll be learning about Greater than, Less than and equal signs. What do they mean and how do we use them?

Theme: Environment

We learn about different types of environments.

Science: Protecting Earth

We become little scientists as we decode and explore what happens to our environment when we don't take care of it. How does it affect both us and the environment?

Religion: Saints

We continue on our journey to learn more about saints. We'll learn about a few more and what their patronage is.
